Alternative Contact: Indigeneity, Globalism, and American Studies

By Paul Lai, Lindsey Claire Smith

Johns Hopkins University Press. Paperback. Book Condition: new. BRAND NEW, Alternative Contact: Indigeneity, Globalism, and American Studies, Paul Lai, Lindsey Claire Smith, Responding to the recent indigenous turn in American studies, the essays in this volume inform discussion about indigeneity, race, gender, modernity, nation, state power, and globalization in interdisciplinary and broadly comparative global ways. Organized into three thematic sections-Spaces of the Pacific, "Unexpected Indigenous" Modernity, and Nation and Nation-State- Alternative Contact reveals how Native American studies and empowerment movements in the 1960s and 1970s decentered paradigms of Native American-European "first contact." Among other kinds of contact, the contributors also imagine alternative connections between indigenous and American studies. The subject of United States military and government hegemony has long overshadowed discussions of contact with peoples of other origins. The articles in this volume explore transnational and cross-ethnic exchanges among indigenous peoples of the Americas, including the Caribbean and Pacific Islands. Such moments of alternative contact complicate and enrich our understanding of the links between sovereignty, racial formation, and U.S. colonial and imperial projects. Ultimately, Alternative Contact theorizes a more dynamic indigeneity that articulates new or overlooked connections among peoples, histories, cultures, and critical discourses within a global context.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
