Reviews

Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Aladdin Paperbacks, United Kingdom, 2014. Paperback. Book Condition: New. Reprint. 190 x 130 mm. Language: English . Brand New Book. Kendall has a crush--and the ghost of his mother has something to say about it. The second book in a hilariously haunting tween series that Kirkus Reviews calls bright, bubbly fun. Kendall Williams talks to dead people all the time. Like it or not, it s kind of her thing--the ghosts need her help resolving issues from when they were alive, and she s good at figuring out their problems. What she can t figure out, however, is why the ghost of her crush s mother is haunting her. Add to that her ghost-client s obnoxious brother who thinks Kendall is crushing on him, her father who is getting serious with his girlfriend, and her BFF who thinks Kendall s losing her mind, and it s enough to make this ghost whisperer seriously consider getting out of the ghost-helping business once and for all!.
