Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2004. Softcover. Book Condition: New. First Edition. Each religion might very well see a separate aspect of truth and be blind to the others. It is clear that our shrinking world requires us to step outside of our separatist ways and seek to better understand each other. It is in this spirit that this book is written. We are all here together there are no good religious nor bad religious just different religious-each having their own particular vantage point of the great way. To walk the Eastern path is to embrace mystery to accept that there are subtle realms of consciousness beyond the rational mind. Eastern spirituality for modern life helps people to explore the philosophical underpinings of Buddhism, Hinduism, Taoism, and tantra. Printed Pages: 218.
